

IVF PRICE LIST

Self-payers

This price list is valid for clients who are not insured by any health insurance company in Czech Republic.

The prices are fixed in EUR and the payments can be made by card or in cash. The valid exchange rate (currently announced by Czech national Bank) will be used in case of possible recalculation to CZK. The prices for stimulation medication are fixed in CZK and it is only possible to pay for medication in CZK.

FQ-FIN-002 12/07/2024 V8

PRICE INCLUDES:

- ✓ Consultation and ultrasound examinations during the treatment cycle.
- ✓ The costs associated with the donation (incl. monitoring of donor's cycle, egg collection, medication for the donor and reimbursement of donor's expenses).
- ✓ Tests for HIV, hepatitis B, hepatitis C and syphilis for male partner
- ✓ Sperm analysis + sperm freezing and one year storage (upon request)
- ✓ ICSI, prolonged cultivation, assisted hatching if required
- ✓ Embryotransfer
- ✓ **This program guarantees** our clients at least 2 embryos in blastocyst stage (5th day of cultivation) assuming that the sperm quality is not qualified as OAT (oligoasthenoteratozoospermia) or worse (according to the WHO). In case that the patient receives only 1 blastocyst and does not get pregnant (confirmed heartbeat), we create at least 1 more embryo in asynchronous cycle (it means that the patient receives at least 1 additional embryo from oocyte of another donor). In case that there is no blastocyst and the patient does not get pregnant (confirmed heartbeat), she's entitled to another cycle with 100% discount.
- ✓ **The third cycle** is for free for patients who do not get pregnant (confirmed heartbeat) even after two cycles with donated oocytes (after transfer of all embryos created during these two cycles) and the sperm quality was not qualified as OAT or worse in both cycles (according to the WHO).

PRICE DOES NOT INCLUDE:

- × Other additional laboratory methods (according to the recommendation of IVF specialist/embryologist and wishes of the patients).
- × Medication

PAYMENT PROCEDURE:

- **500 € upon the treatment date confirmation**
- The payment for the treatment must be completed on the day of donor's egg collection at the latest.
- Fee for additional laboratory methods is charged on the day of embryo transfer or on the day of freezing of the embryos.

At our clinics it is possible to pay in cash or by credit card.

CYCLE WITH FROZEN DONATED EMBRYO WITH GUARANTEE

PRICE INCLUDES:

- ✓ Consultation and ultrasound examinations during the treatment cycle.
- ✓ The costs associated with the donation (incl. the medication for the donor and examinations).
- ✓ **Price per 1 blastocysts € 1 600**
- ✓ **Price per 2 blastocysts € 3 200**
- ✓ **Guaranteed priority order** in case of unsuccessful thawing of embryos. The payment is only charged for actually transferred embryos.
- ✓ **Third cycle free of charge** if the client does not become pregnant (confirmed heartbeat) at our clinic even after two cycles with donated embryos. In case that there were two blastocysts transferred each time during the 1st and 2nd cycle, the client is entitled to a transfer of two blastocysts free of charge in the third cycle.
- ✓ The patient is entitled to the 3rd cycle free of charge for a period of 12 months from the last embryo transfer.

PRICE DOES NOT INCLUDE:

- × Other additional laboratory methods (according to the recommendation of IVF specialist/embryologist and wishes of the patients).
- × Medication

PAYMENT PROCEDURE:

- **500 € upon the treatment date confirmation of the donors**
- The payment for treatment must be completed on the day of embryo transfer at the latest.
- Fee for additional laboratory methods is charged on the day of embryo transfer or on the day of freezing of the embryos.

CYCLE WITH GENETICALLY TESTED (PGT-A) DONATED EMBRYOS

PRICE INCLUDES:

- ✓ Consultation and ultrasound examinations during the treatment cycle.
- ✓ The costs associated with the donation (incl. the medication for the donor and examinations).
- ✓ **Price per 1 blastocyst € 2 300**
- ✓ **Price per 2 blastocysts € 4 600**
- ✓ There is a guarantee of a euploid embryo suitable for transfer on day 5 of culture (blastocyst) after PGT-A/PGT-SR examination.
- ✓ **Guaranteed priority order** in case of unsuccessful thawing of embryos. The payment is only charged for actually transferred embryos.
- ✓ **Third cycle free of charge** if the client does not become pregnant (confirmed heartbeat) at our clinic even after two cycles with donated embryos. In case that there were two blastocysts transferred each time during the 1st and 2nd cycle, the client is entitled to a transfer of two blastocysts free of charge in the third cycle. In all remaining cases, the client is entitled to transfer of 1 blastocyst for free in the third cycle.
- ✓ The patient is entitled to the 3rd cycle free of charge for a period of 12 months from the last embryo transfer.

PRICE DOES NOT INCLUDE:

- × Other additional laboratory methods (according to the recommendation of IVF specialist/embryologist and wishes of the patients).
- × Medication

PAYMENT PROCEDURE:

- **500 € upon the treatment date confirmation of the donors**
- The payment for treatment must be completed on the day of embryo transfer at the latest.
- Fee for additional laboratory methods is charged on the day of embryo transfer or on the day of freezing of the embryos.

At our clinics it is possible to pay in cash or by credit card.

LOYALTY PROGRAMME OF GENNET CLINIC

In order to thank our clients for their trust, we have created the GENNET loyalty programme. We greatly appreciate that we are in favour of many of our clients, even in case of an unsuccessful cycle.

The idea is simple: after every cycle our clients receive a voucher for a discount of 10% in the next cycle. The voucher is valid for 12 months from the date of issue, and is non-transferable. The voucher is only valid for the same type of treatment. The voucher cannot be used for KET.
